| Allergens   | Allergen Substances | Raw materials (ingredients) | Possible traces from cross contamination |
|---|---------------------|-----------------------------|--|
| Cereals (1) with gluten content and derivates     | No                  |                             | No                                       |
| Crustaceans and derivates                         | No                  |                             | No                                       |
| Eggs and derivates                                | No                  |                             | No                                       |
| Fish and derivates                                | No                  |                             | No                                       |
| Peanuts and derivates                             | No                  |                             | No                                       |
| Soy and derivates                                 | No                  |                             | No                                       |
| Milk and derivates                                | No                  |                             | No                                       |
| Nuts and derivates (2)                            | No                  |                             | No                                       |
| Celery and derivates                              | No                  |                             | No                                       |
| Mustard and derivates                             | No                  |                             | No                                       |
| Sesam seeds and derivates                         | No                  |                             | No                                       |
| Sulfur dioxide or sulphite as SO <sup>2</sup> (3) | No                  |                             | No                                       |
| Lupine and derivates                              | No                  |                             | No                                       |
| Molluscs and derivates                            | No                  |                             | No                                       |

(1)- wheat, rye, barley, oats, or other hybrids; (2)- Nuts, namely: almonds (*Amygdalus communis* L.), hazelnuts (*Corylus avellana*), walnuts (*Juglans regia*), cashews (*Anacardium occidentale*), pecan nuts (*Carya illinoensis* (Wangenh.) K. Koch), Brazil nuts (*Bertholletia excelsa*), pistachio nuts (*Pistacia vera*), macadamia or Queensland nuts (*Macadamia ternifolia*); (3)- According **REGULATION (EU) No 1169/2011** is out sulfur dioxide and sulfur concentrations greater than 10 mg/kg or 10 mg/l (as SO<sup>2</sup>) located in the food.

### GMO Declaration

The product does not contain GMO material or traces, according to EU Directive 2001/18/UE.

The product does not need to be labeled according to EU Regulation 1829/2003/UE and EU Regulation 1830/2003/UE.

### Statement regarding treatment with ionizing radiation

We declare that the product and its ingredients have not been treated with ionizing radiation or ethylene oxide according to new documents available.

### Packaging material

The used packaging material complies with Regulation (EC) NO. 1935/2004 on materials and articles intended to come into contact with food, Regulation (EC) NO.2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food and Regulation (EC) NO.10/2011 on plastic materials and articles intended to come into contact with food.

All mentioned data are in accordance with EU/National legislation, at the date of this document preparing.

This replaces the previous specification.
